Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt: Red and Krill are light beings from the 15th dimension. Red is our main contact. He is the light being that we speak to the most. We had been speaking to Red for about a year before writing this book. We met and befriended an older lady who wants to remain anonymous who we will call Betty at a meditation group we frequented. Betty can see and speak to other beings that come through the portal however Red is the main being she communicates with. An interesting thing about Red is he seems to be an average guy...
