A group of students sets out to discover the secrets hidden in an underground world of tunnels and rooms created by an old professor. Young Devon Dibley has discovered this hidden world and has come across a key that will unlock one tunnel that may hold the answers to the others. They must overcome their own doubts and the doubts of the people around them. With a nod to C.S. Lewis, the story has moral, theological and interpersonal implications hidden within its pages. The burgeoning relationship between both the narrator and Dibley also felt true. I found your characters and dialogue to be well done. -Jordana Frankel...
