Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

It continues to explore perfect circles- the wholeness of being in one accord with our Creator YHWH (Yahweh). It explores faith connections between Judaism, Christianity and Islam; ancient Egyptian mythology; political and cultural influences; health and mental distress. PC3 explores man s relationships with YHWH and each other; and seeks to stimulate interfaith communication and dialogue between the 3 Abrahamic religions - 1 monotheistic faith. It highlights powers that are at cross purposes with our Creator s plans for mankind. Yet PC3 reminds us that YHWH still loves us, peoples from all nations worldwide, and seeks communion with us in relationships of perfect circles. This can be attained through the Way, the Truth and the Life (John 14 v 6). This book explores the depths of faith, such as those from Abraham, Job, Moses, David, Muhammed, Joan of Arc, Ellen G White and above all, Jesus Christ. This kind of faith is required of those who want to be children of the Most High, and to be accepted in His perfect circle of Love and Life. Despite the differences between the 3 Abrahamic religions, ultimately it is only Jesus Christ, Conquering Lion of Judah, Lord of lords and King of kings, who can bring us back home to Paradise, in the new heaven and new earth to come, in Eternity. Thanks to His selfless sacrifice on our behalf, His death and resurrection to re-connect us to Father Yahweh s Perfect Circle. Selah.
