Even those who have the gift of time soon find themselves stuck in the web of, what is mostly an artificial and synthetic dieting market, not realizing they would totally be at the mercy of the industry that s just out there for their money. In this deranged scene, a world wide revival was made by an art, practiced for over a thousands of years, meditation. Shooting to fame in the 60s, meditation has been the subject of thousands of scientific studies, with the most heavy ones being taken after the 70s. What is meditation? When most people listen to the word meditation, the image of a Buddhist monk sitting in a weird position comes to mind. This, no doubt...
