

Basic College Math, Books a la Carte Edition

By Marvin L Bittinger

Pearson, United States, 2014. Loose-leaf. Book Condition: New. 12th. 274 x 208 mm. Language: English . Brand New Book. This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value this format costs significantly less than a new textbook. Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson s MyLab Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson s MyLab Mastering products. TheBittingerWorktextSeriesrecognizes that math hasn t changed, but students and the way they learn math have. This latest edition continues the Bittinger tradition of objective-based, guided learning, while also integrating timely updates to the proven pedagogy. This edition has a greater emphasis on guided learning and helping students get the most out of all of the resources available, including new mobile learning resources, whether in a traditional lecture, hybrid, lab-based, or online course.
