

Working with Dual Diagnosis: A Psychosocial Perspective (Paperback)

By Divine Charura, Darren Hill, Bill Penson

Palgrave MacMillan, United Kingdom, 2015. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book. In the UK it is estimated that a third of patients in mental health services have a substance use problem, and that half of patients in drug and alcohol services have a mental health problem. Part of Palgrave s Foundations of Mental Health series, this book explores the intertwined issues of substance use and mental health as a social phenomenon and offers a critical, informative guide to understanding dual diagnosis. Written by authors with extensive experience within mental health and drug treatment services, Working with Dual Diagnosis explores areas that are key to understanding the relationship between the two, including: * models for understanding substance use, mental health and the correlation of complex social and psychological factors; * treatment processes for working with individuals, groups and families and within a community setting; * the historical social, political, economic and legislative context of mental health and substance use; * practice implications for dual diagnosis, including how practitioners can work with and promote better treatment, after care and support for those experiencing dual diagnosis issues. Enriched with reflective exercises, case studies and key...

Reviews

A must buy book if you need to adding benefit. It really is writter in easy terms instead of difficult to understand. I found out this ebook from my dad and i advised this publication to find out.

-- Prof. Elton Gibson I

Unquestionably, this is the greatest job by any author. It really is simplistic but shocks inside the fifty percent in the book. I am just pleased to inform you that here is the greatest book i actually have go through within my own existence and could be he greatest ebook for at any time.
