By Steve Goldstein

Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Alzheimer's is the scourge of the 21st century, sending many families into crisis and financial ruin. In his book, Goldstein offers a brief escape, a riotous yet poignant perspective on the life of a caregiver who tends to a loved one with this insidious disease -- and in the process is forced to confront his own baggage from a less than ideal childhood. His book is laugh out loud funny, outrageous and a way out, at least a temporary one, for those who deal with what many describe as hell on earth. If you are one of the more than 30 million adult children who live such a life, get this book. It may not change your current reality, but its dark humor is guaranteed to make you laugh. And that's something you probably thought was not possible for a very long time.
