Creation: Srishti Vignana

By D.K. Hari & D.K. Hema Hari

Times Group Books, New Delhi, India, 2013. Softcover. Book Condition: New. First Edition. The mystery of how this creation came to be has occupied many great thinkers and philosophers through the ages. An effort to understand a phenomenon as colossal as this, it takes the human mind beyond the daily menial activities to a deeper perspective and leaves it awestruck in amazement. In this book, the authors and their team have carefully sifted through ancient Indian scriptures and tried throwing more light on this timeless enigma with an inquisitive, rational, logical and scientific perspective. The book highlights history of understanding creation starting from Medieval Europe, taking the path of the ancient world to present scientific thought. After reading this book, one might be able to have a better understanding about ancient Indian understanding of creation. Also, this book is picturesque, makes it a very interesting read. Printed Pages: 102.
