

## America Reborn: A Twentieth-Century Narrative in Twenty-Six Lives (Paperback)

By Martin Walker

VINTAGE, United States, 2001. Paperback. Book Condition: New. Vintage Books.. 205 x 132 mm. Language: English . Brand New Book. In America Reborn, journalist and historian Martin Walker defines twentieth-century America through the portraits of twenty-six American individuals whose accomplishments, innovations and ideals propelled the United States to a position of global dominance. Here are the thoughts and beliefs of politicians and performers, thinkers and doers, capitalists and revolutionaries, immigrants and the native born. From Teddy Roosevelt's imperial ambitions to Bill Clinton's global vision; Emma Goldmann's radical ideals to William F. Buckley's profound conservatism; Albert Einstein's elegant theories to Katharine Hepburn's elegant delivery—the biographical essays that make up this narrative show us the variety of American archetypes and offer a vision of how strong individualism has always been the bedrock of (helped make up) the American character.
