## HOW TO START A DAY CARE CENTER? (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Who, What, When, Where and How to Start a Day Care Center There is a moment when in your mind you cross the line between dreaming of running your own day care center and actually seeing it as a reality in your future. When you make that transition, all of a sudden, the details of what it will take to both bring a day care into existence and to operate it day in and day out and make it a success begin to become a reality to you as well. One way of putting some organization around your planning is to use the old four Ws and an H system where in you just ask yourself five basic questions about what it will take to start and operate your own daycare. And those five questions are who, what, when, where and how. 1. Who will be your customers? In Field of Dreams, the voice told Kevin Costner, "If you build it, they will come." But you need more specifics before starting your day care. So you have to understand where you are going to get your first customers and then how you will continue to build your day care by getting new families. Start at your "dream" of a day care and in that vision of taking care of children for a living. Where did the kids come from in that vision? You should have this question answered and have a identifiable target market pinpointed before you buy the first crib or swing set for your day care. You need to know there is a real need for what you do. Moreover, the people who...
