

The Marrow of Tradition (Paperback)

By Charles W. Chesnutt

Dover Publications Inc., United States, 2004. Paperback. Book Condition: New. 206 x 142 mm. Language: English . Brand New Book. A landmark in the history of African-American fiction, this gripping 1901 novel was among the first literary challenges to racial stereotypes. Its tragic history of two families unfolds against the backdrop of the post-Reconstruction South and climaxes with a race riot based on an actual 1898 incident. The author relied upon eyewitness accounts of the riot to create an authentic setting and mood, and his sensitive artistry transcends a simple re-telling of the facts with a dramatic rendering of the conflict between racism and social justice. Unabridged republication of the classic 1901 edition.

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
