SteinerBooks, Inc. Paperback. Book Condition: new. BRAND NEW, Via Podiensis, Path of Power: A Walk from Le Puy, France, to San Juan de la Pena, Spain, Marie-Laure Valandro, In a kind of sequel to her book Camino Walk: Where Inner & Outer Paths Meet, the following year, Marie-Laure Valandro walked and wrote about her experiences on the French section of the Via Podiensis, or Le Puy Route, one of four routes through France on the pilgrimage to Santiago de Compostela in northwest Spain and the tomb of St James. She again encountered a steadfast though fleeting international community on the route through southern France, while connecting her personal experiences with the many significant historical events of that area. In this book, she especially reflects on those of the ninth century in connection with key political and spiritual figures, the Grail mysteries, and the struggles of women of that time and region. The book brings to life the words of Rudolf Steiner and other writers, as well as the memoirs of historical personalities. In this day-by-day, step-by-step account, the author reveals her struggles along the way and considers the true purpose of such a journey -- or, indeed, any journey -- which is self-transformation. As with her book Camino Walk, the reader will be inspired -- if not to walk the physical Camino, then to find their own path to the inner challenge of change.
