A complete guide to successful learning using Moodle 2 Move your existing course notes, worksheets, and resources into Moodle quickly No need to start from scratch! This book shows you the quickest way to start using Moodle and e-learning, by bringing your existing lesson materials into Moodle Demonstrates quick ways to improve your course, taking advantage of multimedia and collaboration Requires no prior knowledge of Moodle, even experienced Moodlers will find this useful for converting paper resources and face-to-face lessons into Moodle In Detail Schools, colleges and universities all over the world are installing Moodle, but many educators aren't making much use of it. With so many features, it can be a hassle to learn - and with teachers under so much pressure day-to-day, they cannot devote much time to recreating all their lessons from scratch. This book provides the quickest way for teachers and trainers to get up and running with Moodle, by turning their familiar teaching materials into a Moodle e-learning course. This book shows how to bring your existing notes, worksheets, resources and lesson plans into Moodle quickly and easily. Instead of exploring every feature of Moodle, the book focuses on getting you started immediately - you will be turning your existing materials into Moodle courses right from the start. The book begins by showing how to turn your teaching schedule into a Moodle course, with the correct number of topics and weeks. You will then see how to convert your resources - documents, slideshows, and worksheets, into Moodle. You will learn how to format them in a way that means students will be able to read them, and along the way plenty of shortcuts to speed up the process. By the...
