

Freddie and His Ocean Friends (Paperback)

By Be Naturally Curious

Be Naturally Curious, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Designed for grades K-5 and to be done at home or with small groups, this interactive multi-activity mini-course introduces children to the spectacular diversity of ocean life and the concept of a food web. The mini-course includes a richly illustrated story-based lesson as well as games, activities, and projects that appeal to all types of learners. After an introductory story about Freddie the Flounder and other ocean creatures, children can have fun building their own food chains in the included card game. Concepts are reinforced through a separate movement-based game in which children create their own food webs. Children will also learn about metamorphosis and life cycles through an art project in which they invent their own imaginary marine animals. Finally, children will perform an experiment in which they design their own plankton-the foundation of the ocean food web. Most materials needed to complete the mini-course can be cut from the book itself (or, if preferred, downloaded and printed using an included link). The mini-course requires only a few additional common household items to complete the...
