Murder Caribbean-Style spirited me away into a world that oozed with the charms of such exotic locations as Barbados, St. Thomas, Sint Maarten and Puerto Rico. Diane Rapp offers a gift to her readers: She whets an adventurer s appetite with zesty, vivid descriptions of fascinating out-of-the-way places at each port, sites that are unknown to many tourists. Plunging into a frenzied investigation to discover the killer before police arrest her friends, Kayla bumps into Steven Young every time she uncovers a clue. They soon join forces to unravel the mystery and spark a fledgling romance. Like a tightrope walker balancing between passion and peril, Kayla risks her life to unearth the truth behind...
