Transylvanian Saxons The saga of a civilization in 4 parts: colonization, splendor, decline and today's touristic heritage Underdeveloped country seeking investors this was the slogan of Eastern Europe after the fall of Communism. Like flowers competing for pollinators, its states outdid each other in advertising economic privileges and legislative facilities to attract Western investors. The different governments which took turns in the last 15 years in the Victoria Palace from Bucharest did not bother to go beyond mere declarations of good intentions; but, while TV channels broadcast their formal speeches, the exodus was underway for the most enterprising part of the population, the only one related to the West: Transylvania's German guests. The Saxons: 800 years of history in Transylvania 800 years ago, like managers looking for personnel to recruit, the first Hungarian kings invited guests from the West to develop the Transylvania they were gradually conquering. Although it lay at the edge of the known world, the Saxons let themselves be lured by this promised land, a natural fortress full of riches, with the Carpathians for walls. They came, they worked, and they built in Transylvania a civilization which reached its apogee in the sixteenth century. Pandora's Box opened wide for the Saxons after the Second World War, too. Less than 15,000 stayed in Romania. Most of them returned to the West, seeking the same thing that had brought their ancestors here: prosperity. Their heritage, however, remains and calls us to discover it. **The Rise and Fall of Saxon Transylvania** is a concise journalistic of the Saxon civilization, following its history through: The Colonization: The Promised Land. Like managers with vacancies in the organizational chart, the...
